**Subject:**

- Petition for Extension of Time to Respond to Office Action Summary +
- Filing Fees +
- Change of Address

Dear Ms. Cegielnik:

Accompanying this missive is the initial FAX forwarded June 19, 2007, which petitions the USPTO to issue an extension of time in responding to office action summary due to necessity of hiring new counsel.

After review of the USPTO website, and talking with the Inventor Help Desk, I am forwarding the filing fees of \$60.00 (small business entity) required for compliance and the Original FAX/Petition/Response in order to assure a hard copy record of the paper trail.

Additionally, please take note of the change of address of record; AEMED, INC., Ewing, et al., address has been changed to:

- 1100 N. Royal Poinciana Blvd.
- Miami Springs, FL 33166

Thank you for your patience and understanding.

If you have any questions, please feel free to contact me directly at 786 863 3814 or [founder@aemed.com](mailto:founder@aemed.com).

Regards,

Donald Ewing
